## “BOOK of NEEDS” APPEAL Yearly Programs Update

By order of priority

1. **Priests Salary and Debt Relief (\$10. a month)**: We continue to plead for all parishes and faithful of the Russian Church Abroad. Please help with the ongoing salary and debt reduction needs of our Haitian priests by donating \$10. a month.
2. **Haiti Orthodox Family Relief (HOFR) \* (\$100. a month)**: The most needy families in Haiti continue to need financial assistance. To help, fill out the Application Form on the [haitiorthodoxfamilyrelief.com](http://haitiorthodoxfamilyrelief.com) web site and mail it with your monthly donations to the Mission Administrative Office in Miami at the above address.
3. **Teachers Salary Appeal ( \$200. a month per teacher)**: Our Haiti Mission parishes have facilities to provide an Orthodox school education for nearly 600 students.
4. We have 4 priests in Haiti, three of which have no cars. They very much need to be able to have their own means of transportation. If anyone has the means to either buy a car for a priest or perhaps send one by ship to them, please contact Fr. Daniel (305-448-7087). This is a serious problem, especially because we are slated to ordain an additional three priests next fall; thus all seven parishes in Haiti will have their own priest.

*Please accept from all of our Orthodox Faithful in Haiti, their heartfelt gratitude and thankfulness to all of those who have sacrificed in order to send financial assistance for those ever in need in Haiti.*

\*Note: the HOFR Program is operated in cooperation with the Fund for Assistance (FFA) of the Russian Orthodox Church Abroad.
